Dave Bennink, Owner, RE-USE Consulting
Vice-President, Building Materials Reuse Association (BMRA)
RE-USE Consulting was voted National Building Deconstructor
of the Year in 2009/2010, and was runner-up in 2007 & 2008.

Vendor Details:

Who...is coming? Green building professionals, EPA officials, deconstruction practitioners, and more

What...is deconstruction? The systematic (and tool intensive) removal of a structure to maximize reuse + recycling

Where...is Decon '11? The campus of Yale University, New Haven, CT.

When...is Decon'11? The conference is between May 16-19th, 2011

Why...become an exhibitor? Deconstruction is a growing part of the green building industry and recent government support is helping the industry grow even faster. Many new companies are looking for guidance on tool purchases and that is why we created Dave's Top 50 decon tool list

How... do I find out more or start to register? Please email dave@bmra.org for more details or go to the conference website at: <http://www.bmra.org/events/conference> or please feel free to call us at 360-201-6977.
